8,000 Submarine Sandwiches

RSVP volunteer, Dr. James Kowalski, is pictured making his 8,000th submarine sandwich at the Wheeling Soup Kitchen. Of his service at the soup kitchen, Dr. Jim states, “I meet the broad spectrum of humanity there. Most of the patrons there I have been serving for over 5 years. It is heart-warming to help these folks that are in need and also feed them a little kindness. I enjoy prepping the meals and serving. I have learned a lot about cooking and food service plus getting to know the staff there. It is all about relationships!” To date, Dr. Jim has served 775 hours. Many thanks for your service!

Christmas Project

Volunteers have been crocheting year 'round as part of the Christmas Project. This year we had 8 volunteers, Hattie Adams, Kris Krupinski, Joyce McColloch, Peggy Nordenger, Mary Tenant, Peg White, Antonette Wilkerson, and Candace Wittig, that donated their time and talent. 134 lap robes, 8 baby blankets, 15 scarves, and 67 hats were given to The Freeze Shelter, House of Carpenter II, Appalachian Outreach, The Gabriel Project, Weirton Geriatric Center, Wyngate, and Brightwood. This is all in addition to the items that were given out earlier this year!

Save the Date

We will once again be making Valentines for Veterans. Operation Valentine will take place in Follansbee at the center on January 28 from 9:30—11:00 and at the Warwood office on January 29 from 10:30—noon. Please join us!

SPREAD A LITTLE LOVE

We will be having an RSVP Valentine’s Luncheon on Wednesday, February 13, 2019, at Wheeling Park. Please mark your calendars and look for your invitation in the mail. More details will be coming soon!

Redesigned Website

Our website, rsvpww.org, has a brand new look thanks to Caitlin Simmons of the center’s In-Home Department! Take a look; I think you will like what you see.
